[Please refer to Vol. II, p. 67 of the Martin Family Quarterly for more information on this family].

with his parents and wife, Debby E., b. MO.

On the back of this portrait is written: I was born in San Augustine Co. 62 years 6 months and 11 days ago. Texas has always been my home. I love Texas and her people. I have lived among the Indians 23 years and 16 long years of that time among the hostile Kiowa and Comanche warriors.

I have met the warriors a number of times in their war paint. Have heard their striped arrows and bullets whistle all about me. Have seen their glistening lances and heard the blood curdling war shoops. I have seen service as a Texas Ranger in 1861. I saw nearly [illegible] years of service as a Confederate soldier account of which I have had 5 leaden missile extracted and am still carrying one in the neck. I, my father, brothers, and Walter BARBEE, my only sister's husband, away back in the 60's and 70's raised the long horned Texas cattle permiskly scattered and grazing on the hills and in the valleys of six Texas counties. Fifty cowboys could not have rounded them up between heel fly time.

I have seen on the Leon and Trinity Rivers 40 or 50 acres of valleys speckled with wild turkey.

I have been the Counties of Tarrant, Johnson, and Hill herds of deer half a mile long trailing on the prairies probably 2 or 3 thousand at a sight.

I have seen more buffalo in one sight than a man could count in days and days.

My love to all and malice to none.

James Martin • Franklin Co. Va.

Contributed by a friend. If you have further documentation on this lineage please contact the editor.

Many Martins are mentioned in the book Key and Allied Families by Mrs. Julian C. LANE, Statesboro, GA., published 1931, Macon, GA. Even though we believe the majority of the research is correct some of the facts presented cannot be documented to our satisfaction. Many different Martins are mentioned throughout the book.

It is always interesting to trace first names repeated in certain families. The name Tandy or Tandy Key was used extensively in the KEY family and also the Martins who married into the Key family.

On page 223 of Key and Allied Families is the following:

"James MARTIN came from Ireland during the Revolutionary War, served on the staff of Gen. WASHINGTON, died when 110 years old and is buried in Franklin Co. VA; graduate of Belfast College, Ireland; four wives, twenty-four children - John, Hughey, Billy, Robert, et al."
"Robert MARTIN, son of James, was born in Ireland Dec. 2, 1764, died in Jackson Co. GA, June 17, 1867, married Susie KEY, dau. of George KEY, of Virginia. Susie's mother was a Miss EDWARDS, dau. of Robt. EDWARDS of VA."

"To Robert and Susie (KEY) MARTIN were born Tandy Key, George, Washington, Ala., Harrison Thurmond, Nancy, Betsy and Jane. Betsy MARTIN married Arthur T. CAMP of Marietta, GA, Nancy MARTIN married Gallant REYNOLDS, Harrison T. MARTIN, son of Robert and Susie, was born in Jackson County, GA, February 22, 1812. He married Rixie DANGER, March 18, 1836. Of this union came Alonzo, Florence, Wilson and Mary Ella, West Point, GA." etc.

It is believed that James MARTIN whose will was made 2 April 1820; proved 3 Dec. 1831, Franklin Co. VA is the same James MARTIN who came to America during the Revolution. If he did die at age 110 [age probably exaggerated] he was born ca. 1710, Ireland. His will names wife, Mary MARTIN, and the following children: Rebecca, John, James, Robert, Hugh, Eleander WATSON, Jane PECK, Agnes STANLEY, Peggy HOLLIDAY, Ann RAMSEY and William MARTIN. Executrix: wife, Mary. Executors: son, John; and friends Thos. CRAIG and Nath'l H. CLAIBORNE. Witnesses: Caleb TATE, Andrew THOMPSON and Jacob FISHBURN.

Research on this family was done by Gertrude Casler MANN, Rock Mount, VA regarding this James MARTIN and his children.

James MARTIN had two known wives, but neither was the mother of the children. (1) Margaret BOWMAN m. 10 Dec. 1794, surety, John WATSON, son-in-law; and (2) Mary McGEE m. 22 Aug. 1805, surety, Hugh MARTIN, son. Mary was b. 1751 and was living in 1850.

2. John MARTIN
3. James MARTIN was single in 1803.

Surety for their marriage was Richard STANLEY, attested to by Josiah TURNER (son-in-law of George KEY). The family was in Jackson Co. GA by 1812 when son Harrison was born. But, our contributor believes Robert is the Robert MARTIN in Cobb Co. GA in 1850 census, age 75, b. VA. Living with Robert in 1850 was Nancy MARTIN age 22. In 1854 Robert MARTIN gave Harrison T. From the Editor

We have been working for over a year indexing and cross indexing everything in the files of the Martin Family Quarterly by locality and complete name. This has been possible by purchasing a Radio Shack TRS-80 computer and a program by my husband, William J. Farmer. Hopefully, this project will be completed in the next few months and we can immediately know if we have the answer to your query, lineage or problem.

We hope you agree that a complete every name index is necessary for this quarterly. The index for Vol. V took more pages than other volumes due to the abundance of marriage records. Vol. I every name index is complete and when Vol. II, III, and IV are finished they will all be published.

New additions to the files are constantly being checked against all of the letters and queries received since the quarterly began. Subscribers are being informed if anyone else is researching their lineage or the

same locality - or - if a document is found to further their research.

All letters to the Martin Family Quarterly dated before September 1979 have been answered. This backlog will be answered before May 1980 and we hope to be in a position to answer all letters within a month of receipt. Subscriber Lineages are published as space permits and queries are published in the next issue after receipt. Orders for quarterlies are mailed within a week of receiving the order.

All Martins found in the census from 1790 - 1880 for most southern and midwestern states will eventually be published in the quarterly. This project will begin in the next issue. We appreciate the census records you have contributed. Please note on the back of your renewal notice which census records you need most.

Your support of the Martin Family Quarterly will enable all of us to help each other and make possible the purchase of records to further your Martin research.

Join your local genealogical society; perfect your research techniques.
